Extra spaces over and above your numbers can be requested in writing on a first come first served basis. The February installment fee is required for the number stated. Between January and March is when most Troops increase their numbers. However, extras may only be added if space is available. Please keep us fully informed of any number changes (additions and reductions). Our goal is always to help accommodate your Troop's needs.

**The 2010 Claimstake is for your unit only. Please do not incorporate other Troops into your reservation later. Incomplete claimstakes will be returned.**

**A \$200 non-refundable deposit must accompany this form.**

Specific sites may not be guaranteed. Sites will be allocated in late May based on the final numbers that are paid for at that time. Your preference of site will be taken into account. Smaller Troops may be required to share a large site. Larger Troops may be allocated to more than one site. Site names and sizes are listed.

**UNIT ACCIDENT INSURANCE IS REQUIRED FOR ATTENDANCE AT CAMP.** This insurance is secondary to the individual's family medical insurance. All campers should have a copy of the front and back of their medical I. D. card showing insurance coverage. In the event that a Scout's family has no medical insurance, the Troop insurance becomes primary. In this case, a copy of the unit insurance must be brought to camp and will need to be presented for the Scout to receive medical attention. PLEASE COMPLETE INSURANCE INFORMATION:
